### Men's Section

Our nominations for teams in 3<sup>rd</sup> and 5<sup>th</sup> Division Pennants have been accepted and the draw has been placed on the notice board. Trials will commence Saturday June 5<sup>th</sup> starting at 1.00 p.m. We do hope all nominated players will attend (along with any others interested in playing Pennants) as a little forward planning is needed to ensure we are able to comfortably meet our commitments.

I would like to make special mention of the great results achieved by Graham Jewell and Don Ferris in organising sponsorship, mainly for our Wednesday and Pub games. I'm sure our Members and Guests appreciate their efforts, the rinks are always full and everyone enjoys the day. Very few of our Sponsors get the opportunity to join us for a game yet remain most generous in their support of our Club. It would be great to support them in return by buying local where possible.

Due to personal reasons we've lost the help (hopefully only for a short time) of one or two very valuable and hard working members, though rarely thanked their special contributions have not gone unnoticed and on behalf of everyone we thank you very much for all you have done for us.

Unfortunately, this does mean that those left to organise things on and off the rink will need a little extra help from time to time, any assistance, particularly for Graham on Wednesdays would be greatly appreciated.

Cheers *Bob* [Men's Secretary]

### Ladies Section

Firstly all the best to Lorna who is playing in the District Champion of Club Champions on 15th June & hopefully 16th June at Caboolture Lakes. She will have some stiff opposition but I am sure that after her holiday she will be "Fighting Fit" & give her opposition a run for their money. If you are not busy pop along & have a look. Games start at 9.30am. Our Ladies Mixed Triples on the second Thursday of each month is coming along and we had 8 teams competing in May.

\*\*\*\*UPCOMING EVENTS – JUNE\*\*\*\*

Looking forward to increased numbers on 10th June which will be sponsored by Christensen's Bus Lines. Ladies please get a team organised & put the names down on the sheet in the Club. Men are most welcome. We have had trips to Deception Bay, Wavell Heights, Narangba, Toogoolawah. Samford and Beachmere where teams performed well & all had very enjoyable days.

Ladies please check your May minutes for players for games for June. As I will be away until 16th please advise Robyn if you are unavailable for any of the games allotted to you. Also don't forget Ros will need help with the catering for Triples on the 10th June. Pennants start in August and if possible we will try to have a Pennant practice on Thursday 17th June. All the best to Francey for quick recovery from her cracked pelvis. She was in fine form when Coral & I visited her at Peninsula Private last Monday.

Happy Bowling, *Terre*

**May - Work Your Mind -**

*A large water tank has two inlet pipes (a large one and a small one) and one outlet pipe. It takes 3 hours to fill the tank with the large inlet pipe. On the other hand, it takes 4 hours to fill the tank with the small inlet pipe. The outlet pipe allows the full tank to be emptied in 7 hours.*

*What fraction of the tank (initially empty) will be filled in 1.14 hours if all three pipes are in operation? Give your answer to two decimal places (e.g., 0.25, 0.5, or 0.75).*

**Solution:**

In one hour:-

the large inlet pipe fills 1 / 3 of the tank;  
the small inlet pipe fills 1 / 4 of the tank;  
the outlet pipe empties 1 / 7 of the tank; and therefore  
all three pipes together fill [ (1 / 3) + (1 / 4) - (1 / 7) ] of the tank.

**Fraction of the tank that will be filled in 1.14 hours =**

**1.14 x [(1 / 3) + (1 / 4) - (1 / 7)] = 0.50.**

Fellow Members,

After enjoying a great day of bowls recently and finishing off my second (or possibly third) cold beverage I realized something that hadn't crossed my mind before. We as a club are very lucky to have some extremely dedicated volunteers helping to make my experience on the green, and afterwards, very special. I also came to realize that these guys (and girls) aren't receiving the help and support they should from the rest of the members. I myself am a relatively new member to our club with a full time job and cannot supply any more time to the club than I already do BUT when I am here there are a few more little things that I can do to help to reduce the workload others.

Little things such as bringing in the flag, retuning mats and kitties, helping with raffles or just returning your empty glass to the bar can go a long way to easing the workload for these guys. It also takes a huge amount of work to organize these games so where possible get behind these events, whether they be a serious Club Championship or Pennants game or just a mufti on a Sunday afternoon. Place your name on the sheets provided; turn up on time and above all conduct yourselves in the appropriate manner.

These are only small, common sense things but these little things can make life so much easier for our volunteers. I for one am concerned that if we as members don't get behind these guys and support them in any way that we can, we may not have their support for much longer.

Yours truly,  
Concerned Member.

### Bowling balls

A little old man boards a bus with a bowling wood in each of his front pockets. He sits down next to a beautiful young lady, and she can't help but glance quizzically at the man and his bulging pockets. It's an uneasy few minutes before, finally, the little old man can take no more. "Bowling balls," he nods reassuringly. The lady seems a little shocked, and stares on. Moments later, she says: "Does it hurt as much as tennis elbow?"
